APG CASH DRAWER®

Cash Drawer Caddy™ System

Available in both the Series 100 and Series 4000 Product lines

Series 100 size:

16 x 19.5"

Series 4000 sizes:

18.8 x 21" and 20 x 21"

- Provides a sturdy foundation for the POS workstation.
- Organizes POS peripheral components such as a printer, monitor, and keyboard.
- Unique two piece design allows for simple cable routing.
- Quick and easy installation.
- Offers multiple cash drawer interface options.
- Accommodates nearly all major POS keyboard, printer and monitor brands.
- Flush cap optimizes space for arranging monitor and printer.
- Step cap creates a well for the printer and monitor to sit inside the footprint of the Caddy.

APG CASH DRAWER®

Caddy™ SP (Slim Profile)

- The Caddy SP is a slim profile integration product that works with any standard Series 100 1616 or Series 4000 1816 cash drawer.
- Color matched to your APG cash drawer, the Caddy SP hides cables from sight without adding bulk.
- Rugged steel construction with a powder coat finish.
- Allows for optional left or right hand printer tray attachment to extend the work surface.
- Cable routing holes allow for easy cable routing
- Slim profile integration, just 0.5 inches tall
