

APG CASH DRAWER

Cash Drawer Till and Till Cover Application Guide

Remove the till from the cash drawer and look on the bottom. A part identifier has been molded into the bottom surface. This identifier provides a cross reference to the corresponding till cover that will fit the till.

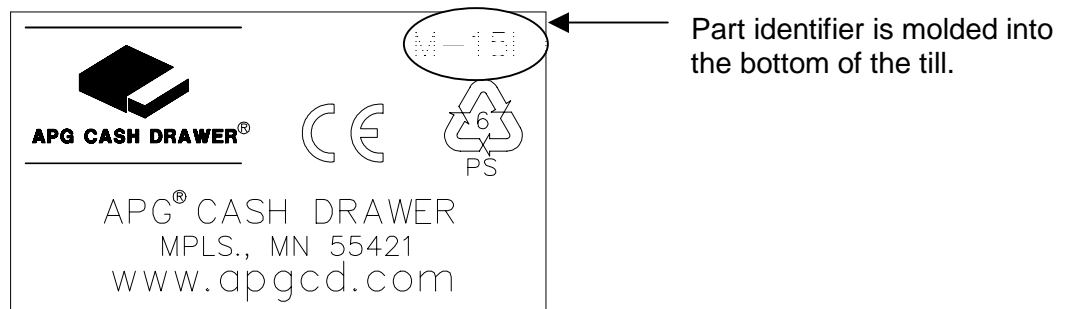

Figure 1. Sample marking on the bottom of the cash drawer till.

| Part Identifier | Till Description | Till Cover Part No. | Till Cover Description |
|-----------------|---------------------------------------|-----------------------------|--|
| M-15-NF | Fixed Wall 5x5 Value Till | PK-14L-R-BX | Locking Till Cover, keyed MM101-MM104 |
